4. HOW TO ASSIGN REMAINING BUSES TO ROUTES IN TMS

1. Open the Nadar TMS portal and log in as an administrator.
2. In the left sidebar, click on **Fleet** and select **Assignments**.
3. Select the target route (e.g. from Nadar Higher Secondary School or Public School).
4. Select an available bus from the 67 spare buses list above.
5. Select the driver and shift, then click **Save Assignment**.
6. Once assigned, these buses will automatically appear with their mileage and trips in the **Bus Wise Report**.
